We are offering a full day out incorporating a walk and sail using the John Bunyan Community Boat. Meet in Priory Park Bedford and walk to Great Barford following the River Ouse. The JB Boat will depart at the same time. We will meet up with the boat at 2 locks on the way where there is opportunity to get on the boat and sail the rest of the way. Everyone will return from Great Barford on the boat. We expect to be back in Bedford for 5pm.

See flyer for more information

Pub Stop: The Anchor, Great Barford
